Caring for Men's Skin

	Daily	Weekly	Special Care
DETOX SKIN Cleanse & Purify	Gentle Cleansing Shaving Gel OR Soothing Shaving Cream (sensitive skin)	Cleansing Clay Peel OR Deep Cleansing Mask Vitalising Exfoliant	Lip Balm Rescue Gel
DESTRESS SKIN Hydrate & Balance	Soothing Aftershave Gel	Hydrating Gel Mask	
ENERGISE SKIN Nourish & Protect	Soothing Moisturiser Eye Gel		

Men's skin deserves more than just a morning shave routine.

Not only is your skin exposed to an increasing number of environmental stresses, it is also subjected to the additional challenges often associated with shaving, including razor burn, irritations and dry skin.

Our skincare products, especially formulated for men, are designed to soothe and protect while reducing the effects of shaving. Your skin will feel smooth and conditioned with a healthy-looking vitality.
